Dear Mr. Poston:

I have reviewed your request for latent prints documentation.

Please be advised that, pursuant to California Government Code Section 6253(c), I have found that "unusual circumstances" exist with respect to the request due to the need to search for, collect, and review the requested records from other Department entities which are separate from the office processing the request. Therefore, my staff will require the statutory fourteen days extension of time in which to respond. A determination concerning your request will be made as soon as possible.

If you have any questions regarding this correspondence, please contact Management Analyst Charles Clifton of the Discovery Section at (213) 978-2163.

Very truly yours,

**CHARLIE BECK**
